

The Gilroy Lore

SEPARATE BILLS:

Separate bills requested on one table cause problems. This impacts on our speed of service, and confuses our waiters – causing distress to you, our honoured patrons and most welcomed guests. Kindly arrange for a once off payment, and sort out the settlement of the bill within your party.

MOVING TABLES:

Please do not move, split, or add tables after you have been seated. Believe it or not, we have a system, and the moving or relocation of tables causes confusion. Should you need a change in your table arrangement, simply call one of the Managers on duty and they will do their best to accommodate your request.

MENU ADDITIONS AND ALTERATIONS:

We believe that we have created a menu to suit most tastes, and we would appreciate it if you would refrain from deviation, as it creates varying levels of havoc in the kitchen. If you have a specific requirement, please note that additions will be charged on the bill. (Prices may vary, according to attitude.)

GRATUITY:

Our waitrons work hard for you, and always do their best to make your visit both pleasurable and memorable. A tip, if deserved, will always be greatly appreciated.

Many thanks for your co-operation,
The Gilroy Team

GILROY'S FINEST ALES AND LAGERS

Gilroy Beer is natural, without preservatives and brewed to Irish Purity Laws, as written by Steve Gilroy himself, sometime during the last century.

The beer contains natural/low carbonation – enough to dance on the tongue but cause no distress to the tummy.

The Shield on the Coat-of-Arms bears the three medieval dolphins from the original Irish Family. The beer tankard signifies that we are a brewing family.

The Gauntlet serves as a friendly challenge to any other brewer to make a better beer (we don't think it's possible).

The Gilroy Premium Lager (4% abv)

500ml – R37 / 340ml – R30

The *Gilroy Premium Lager* is a European style lager – hand-crafted, using the finest kilned malted barley, Czech Saaz hops, and Gilroy's wonderful lager yeast.

A well balanced, flavoursome, and naturally carbonated lager, it is a session beer which fills the mouth with great body and a classically dry finish.

The Gilroy Favourite Pale Ale (4% abv)

500ml – R39 / 340ml – R31

The *Gilroy Favourite* is a superb pale ale, brewed with golden and crystal malts, a secret blend of hops, Gilroy's ale yeast, and a dash of honey.

This beer is well bodied and extremely easy to drink. Underlying flavours of round summer fruits and slightly caramelised honey make it a fantastic session beer with a well-balanced finish which makes you want to order another straight away.

The Gilroy Traditional Ruby Ale (4.5% abv) 500ml – R41 / 340ml – R32

The *Gilroy Traditional* is the definitive ruby ale - a magnificent explosion of flavours on the tongue. Brewed using perfectly kilned malted barley, a secret blend of hops, and a truly majestic yeast.

A hand-crafted beer to come home to, the *Gilroy Traditional* is about traditional values and elegantly rustic flavours. A thing of beauty and a joy forever.

The Gilroy Serious Dark Ale (5.5% abv) 500ml – R42 / 340ml – R33

A rich, strong ale for the serious drinker. The amber and roasted malts yield a dark, warm, claret hue to the *Gilroy Serious*. Hold your glass to the light, and in the deep colour of the *Serious*, warm ruby shades are revealed.

With flavours of dark chocolate, liquorice, and roasted coffee, it is a beer with flavours in places other beers don't have places. Brewed using only the finest kilned malted barley, noble hops, and a truly majestic yeast, the *Gilroy Serious* is a rare hand-crafted masterpiece from the southern hemisphere.

The Gilroy Genuine Ginger Beer (4% abv) 500ml – R42 / 340ml – R33

Granny Gilroy's naughty secret – a surprisingly clear, glowing amber ginger beer that delights the palate.

A rounded, full flavoured ginger experience, the *Gilroy Genuine Ginger* is made from our blend of four subtly different real ginger roots, malted barley, and is without any flavourants or preservatives. Nothing tastes as good as real ginger. Based on Granny's secret recipe, it leaves the tongue fulfilled and refreshingly gingery.

The Gilroy Gold (4% abv) 500ml – R39 / 340ml – R31

A delightful blend of the *Gilroy Premium Lager* and the *Gilroy Favourite Pale Ale*.

The Gilroy Black & Tan (~4.75% abv) 500ml – R41 / 340ml – R33

A deeply satisfying blend of the *Gilroy Favourite Pale Ale* and the *Gilroy Serious*.

A brief history of Gilroy's Brewery

Gilroy's Brewery is one of the longest running craft breweries in South Africa. The brewery was established in the year 2000, or 1880 – depending on which calendar you follow. It was in the corner of his printing and publishing company in Roodepoort, that Steve Gilroy began producing the beers that would eventually become synonymous with craft beer in Gauteng.

These were humble beginnings and stock was limited, but after countless hours of hard work and copious tastings, word began to spread about the little brewery that could. Steve Gilroy could now invest all of his time in creating some of the finest beers in the southern hemisphere. In 2008 the entire operation was relocated to Muldersdrift where, as if by magic, the restaurant and beer garden appeared.

Today, Gilroy's still produces the four award winning beers that friends of Gilroy's have loved for so many years: *The Premium Lager*, *The Favourite Pale Ale*, *The Traditional Ruby Ale*, and *The Serious Dark Ale*. In addition to these beers, Gilroy's has recently introduced a real ginger beer. Lovingly dubbed "Granny Gilroy's naughty secret", the *Gilroy Genuine Ginger* contains real ginger root, malted barley, and contains no artificial flavourants or preservatives. All of the Gilroy beers are brewed and packaged on site.

Awards and accolades

In the 2001 publication of the Diner's Club Beer Drinkers Guide, taste expert B.J. Lankwarden awarded the *Gilroy Serious* with the honour of being the finest beer in the southern hemisphere, and was bested by only two other beers on the planet (by half a point). In B.J.'s own words, "the *Gilroy Serious* is a rare hand-crafted masterpiece from the southern hemisphere."

The West Rand Department of Tourism blessed Gilroy's Country Brewery & Restaurant with the 2009, 2010, 2011, and 2015 titles of "Best Restaurant Alfresco", "Best Overall Experience", and "Best Tourism Establishment in the West Rand" to name but a few.

In the 2011 official James Bond novel 'Carte Blanche', written by Jeffery Deaver, the world's favourite spy ordered a Gilroy beer while on assignment in Cape Town, South Africa. Proving once and for all that James Bond will drink other beer only when he's paid to do so, but will enjoy a Gilroy beer because he wants to.

In 2012, the English newspaper The Telegraph held a visitor rated competition for the best British-style establishments outside of Great Britain. Gilroy's won the title of "Best British Restaurant in the World" in this most prestigious competition.
